### شهر شبرغان

این پرسشنامه جهت سروی در مورد اثرات زیست محیطی و اجتماعی پروژه بیات پاور شبرغان (Bayat Power IPP) می

### "نوت برای گرداننده مصاحبه گروهی"

گرداننده گرامی:

براساس اصول مصاحبه گروهی قرار نیست موضوعات بحث به صورت جزء وار و نکته به نکته در رهنمای مصاحبه گنجانده شود. تنها مواردی که در رهنما ذکر میگردد موضوعات کلی مورد بحث می باشد. در حین اجرای مصاحبه گروهی از شما اکیدا درخواست میگردد تا هر موضوع را بعد از معرفی کلی، به طور موشکافانه و بر اساس موارد نیل تفحص و پرس و پال نموده تا اطلاعات مکمل و بدون نقص را از مصاحبه شوندگان بدست آورید.

لذا از شما خواهشمندیم بعد از معرفی پروژه، برای تفحص و موشکافی در حین سوال و جواب از روش های مستقیم و غیر مستقیم که نمونه آن در ذیل تشریح گردیده اند استفاده نمایید.

### نوع اول: به شکل مستقیم:

- ✓ منظور شما از این حرف چیست؟ لطفا بیشتر توضیح دهید

  - ✓ خوب شما در این مورد چی فکر میکنید؟
     ✓ این مورد را که گفتید چگونه اتفاق افتاد؟
- ✓ قضاوت و احساس شما نسبت به این مورد چگونه است؟
- ✓ می توانید در این مورد کمی بیشتر بگویید؟
   ✓ چیزی را که شما یادآوری کردید، من زیاد نفهمیدم، میشود به زبان ساده تر و با ذکر مثال بیان نمایید؟

### نوع دوم: به شکل غیر مستقیم:

- ✓ واكنش طبيعى به جوابات ارائه شده. مثل درسته، دقيقا، اها و غيره
- ✓ جاری کردن بعضی از کلمات و عبارات که ممکن حین صحبت در ذهن گوینده نیایند.
  - √ و غیره تکنیک های معمول....

### **Group interview questionnaire**

This questionnaire is intended survey of environmental and social impact assessment of Bayat Power energy in Sheberghan, Afghanistan.

### Note to Group interviewer directors:

Based on group interview rules, it is not supposed to enter to detailed and point by point of subjects in interview manual. Interviewers should present enough and comprehensive information to attendees and get feedback by emphasis to direct and indirect interview methods.

So you are requested to use direct and indirected methods -as below sample- after project introduction:

### Type 1) Direct Method:

What is your mean? Please explain more

What you think about this?

How this your cited matter may happen?

What is you opinions and feeling about this matter?

Can you please clear more this one?

I couldn't understand you, can you please give me a sample or simple?

### Type 2) In-Direct Method:

Proper reaction to responses (yeah, right, true, well,...)

Help attendees to find proper words and expressions to describe their own idea
